If I were a boy
even just for a day
I'd roll out of bed in the morning
and throw on what I wanted and go
Drink beer with the guys
and chase after girls
I'd kick it with who I wanted
and I'd never get confronted for it
cause they'd stick up for me
If I were a boy
I think I could understand
how it feels to love a girl
I swear I'd be a better man
I'd listen to her
cause I know how it hurts
When you lose the one you wanted
cause he's taking you for granted
And everything you had got destroyed
If I were a girl
even just for a day
I'd get out of bed in the morning
and take forever to get ready
Complain to my friends
as if they got a man
They talk about you cause they're jealous
and I just stay and listen to it (I should get rid of them)
If I were a girl
I dont think I'd understand
how it feels to love a boy
I swear I'd be a better woman
I'd listen to him
cause I don't know everything
I would always try to tell him that he needs to treat me
better
Like I don't gotta change at all
If I were a girl
It's a little too late for you to come back
Say it's just a mistake, think I'd forgive you like that? (I
don't)
If you thought I would wait for you,
you thought wrong (I did wrong)

But you're just a boy
and you're just a girl
You don't understand
No you don't understand
How it feels to love a girl someday
You wish you were a better man
You don't listen to her
and you don't listen to him
You don't care how it hurts (you don't care how I feel)
Until you lose the one you wanted
cause he's taking you for granted
And everything you had got destroyed
But you're just a boy
and you're just a girl
