Beyonce:

U must not kno bout me  
U must not kno bout me

Trina:

Ugh  
Taxi come pick this nigga up  
A used condom in his truck  
Used to trickin wit them sluts  
Tellin me i'm number 1  
But u was better than tha rest  
Truth be told u'z a mess  
Who loved to play games  
Rollercoaster wit my brain  
I cried myself to sleep 'cause it hurt so bad  
Askin how could u smoke  
Everythin we had  
Now i gotta go inside  
Tha little black bag  
I bet he'll be back  
Tryna wave tha white flag  
Nigga  
Nerve of u sayin i wouldnt find another  
U done bumped yo head  
U gone need me sucka  
Changin my number  
I aint thinkin bout u  
Im in love wit myself  
If u wanna kno tha truth

Beyonce:

In tha closet  
That's my stuff  
Yes  
If I bought it  
Babii please dont touch  
And keep talking that mess  
That's fine  
But could u walk and talk  
At the same time  
And it's my mine name

That's on that Jag  
So remove ur bags  
Let me call u a cab

Standing in the front yard telling me  
How I'm such a fool  
Talking about  
How I'll never ever  
Find a man like you  
U got me twisted

U must not know bout me  
U must not know bout me

Beyonce \*&\* Trina:  
I could have another u  
In a minute  
Matter fact  
He'll be here  
In a minute  
Babii

Trina:  
Keep talkin slick...  
Ones a killa  
Ones a drug deala  
One who wines \*&\* dines me wit million dollar fits  
I even kno a rapper  
Who wanna dig in it  
Or my football playa friend  
Who's been beggin me to end it  
My attorney Prckle  
Wit a big popsicle  
Who aint neva had a hard time  
Hangin at tha middle  
My NBA All Star  
Who make it wit a sizzle  
That's fo shizzle my nizzle  
He take his time when he nibble  
Don't make me remind u  
To tha left  
To tha left

Beyonce:  
Everything u own  
In a box to tha left  
In tha closet  
That's my stuff  
Yes  
If I bought it  
Babii

Please dont touch  
And keep talkin that mess  
That's fine  
But could u walk and talk  
At tha same time  
And  
It's my mine name  
That's on that Jag  
So remove ur bags  
Let me call u a cab

Standing in tha front yard  
Tellin me  
How I'm such a fool  
Talkin bout  
How I'll never ever find a man like u  
U got me twisted

U must not kno bout me  
U must not kno bout me

I could have another u  
In a minute  
Matter fact  
He'll be here  
In a minute  
[Irreplaceable Remix lyrics on ]

Babii

U must not kno bout me  
U must not kno bout me

I could have another u  
By tomorrow  
Don't u ever  
For a second  
Get to thinkin  
U're irreplaceable

So  
Go ahead and get gone  
Call up that chick \*&\* see if she's home  
Oops  
I bet ya thought  
That I didn't kno  
What did u think  
I was putting u out for?  
Cause u was untrue  
Rolling her around  
In tha car that I bought u

Baby drop them keys  
Hurry up  
Before ur taxi leaves  
Standing in tha front yard  
Telling me  
How I'm such a fool  
Talking about  
How I'll never ever find a man like u  
U got me twisted

U must not kno bout me  
U must not kno bout me

I could have another u  
In a minute  
Matter fact  
He'll be here  
In a minute  
Babii

U must not kno bout me  
U must not kno bout me

I could have another u  
By tomorrow  
Don't u ever  
For a second  
Get to thinkin  
U're irreplaceable

So since I'm not ur everything  
How about I'll be nothing  
Nothing at all to u  
Baby I wont shead a tear for u  
I won't lose a wink of sleep  
Cause tha truth of tha matter is  
Replacing u is so easy

To tha left  
To tha left

To tha left  
To tha left

To tha left  
To tha left

Everything u own  
In a box to tha left

To tha left

To tha left

Don't u ever  
For a second  
Get to thinkin  
U're irreplaceable

U must not kno bout me  
U must not kno bout me

I could have another u in a minute  
Matter fact  
He'll be be here  
In a minute  
Babii

U must not know about me  
U must not know about me

I can have another u  
By tomorrow  
Don't you ever  
For a second  
Get to thinkinnnnnn....

U must not kno bout me  
U must not kno bout me

I could have another u  
In a minute  
Matter fact  
He'll be be here  
In a minute

U can pack all ur bags  
We're finished  
U made ur bed  
Now lay in it

I could have another u by tomorrow  
Don't u ever  
For a second  
Get to thinkin  
U're irreplaceableeee
