(To the left  
To the left )

(Everything you own in the box to the left )

rollercoaster with my brain  
i cry myself to sleep cuz it hurts so bad  
(To the left  
To the left )  
im askin how you could dispose everything we had  
(To the left  
To the left )  
now i gotta go inside the little black bag  
(Everything you own in the box to the left )  
i bet he'll be back tryin to wave tha white flag  
(To the left  
To the left )  
nigga nerve of you sayin i'll wouldn't find another  
you done bumber your head  
your gonna need me sucker  
im changin my number i aint thinkin bout you  
(To the left  
To the left )  
(Everything you own in the box to the left )  
im in love with myself since you wanna know the truth

In the closet that's my stuff - Yes  
If I bought it nigga please don't touch  
And keep talking that mess, that's fine  
But could you walk and talk at the same time

And It's my mine name that is on that Jag  
So remove your bags let me call you a cab

Standing in the front yard telling me  
How I'm such a fool - Talking about  
I'll never ever find a man like you  
You got me twisted

You must not know about me  
You must not know about me  
I could have another you in a minute  
matter fact he'll be here in a minute

(trina)

Keep talkin slick ones a killer ones a drug dealer  
one who wines and dines me with million dollar figures  
i even kno a rapper who wanna dig in it  
or my footballer friend whos been beggin me to end it  
my attorney on prinpial with a big popsickle  
who aint never had a hard time amin at the middle  
my nba all star who make a way to sizzle  
thats for shizzle my nizzle he take time when he nibbles  
don't make me remind you

to the left  
to the left  
Everything you own in the box to the left  
In the closet that's my stuff - Yes  
If I bought it nigga please don't touch  
And keep talking that mess, that's fine  
But could you walk and talk at the same time  
And It's my mine name that is on that Jag  
So remove your bags let me call you a cab

Standing in the front yard telling me  
How I'm such a fool - Talking about  
I'll never ever find a man like you  
You got me twisted

You must not know about me  
You must not know about me  
I could have another you in a minute  
matter fact he'll be here in a minute

You must not know about me  
You must not know about me  
I can have another you by tomorrow  
So don't you ever for a second get to thinking you're  
irreplaceable

So go ahead and get gone

And call up on that chick and see if she is home  
Oops, I bet ya thought that I didn't know  
What did you think I was putting you out for?  
Because you was untrue  
Rolling her around in the car that I bought you  
Baby you dropped them keys hurry up before your taxi  
leaves  
Standing in the front yard telling me  
How I am such a fool - Talking about  
How I'll never ever find a man like you  
You got me twisted

You must not know about me  
You must not know about me  
I could have another you in a minute  
matter fact he'll be here in a minute - baby

You must not know about me  
You must not know about me  
I'll have another you by tomorrow  
So don't you ever for a second get to thinking you're  
irreplaceable

So since I'm not your everything  
How about I'll be nothing  
Nothing at all to you  
Baby I won't shed a tear for you  
I won't lose a wink of sleep  
Cause the truth of the matter is  
Replacing you is so easy

To the left  
To the left  
To the left  
Everything you own in the box to the left

To the left  
To the left

Don't you ever for a second get to thinking you're  
irreplaceable

You must not know about me  
You must not know about me  
I could have another you in a minute  
matter fact he'll be here in a minute - baby

You must not know about me  
You must not know about me  
I can have another you by tomorrow  
So don't you ever for a second get to thinking

You must not know about me  
You must not know about me  
I could have another you in a minute  
matter fact he'll be be here in a minute - baby

you can pack all your bags cuz were finished  
You must not know about me  
You must not know about me  
you made your bed now lay in it  
I can have another you by tomorrow  
Don't you ever for a second get to thinking you're  
irreplaceable
