Verse 1-Beyonce:

I've been wanting to explain to you

What it is that you do to me

Got me open

I am so in love with loving you

Touchin' places

No one else has

Ever made me feel incredible

When you touch me

I feel sexy

No one else like you

Pre-Chorus:

Got me gone off all the love you give me (You give me)

I'd be crazy to ever want to leave (Oh)

I love the way your hands feel on my body (Touch me)

Please don't say your gonna stop lovin' me

So keep on, yeah

Chorus:

Keep givin' your love to me

Oh

Keep givin' your love to me (Yeah)

Oh

The way you givin' your love to me

Oh

Can't exempt this feeling

And I don't think I want to

Got me goin' off all the love you give me (You give me)
