[Verse 1:]

You say that he's wrong; you say that he's no good
Leave him alone cause he's gonna hurt you
But what they don't know is how he makes me feel
You say that he creeps; always running the streets
He's playing the game and he'll never love me
You say that he's fake then why does it feel so real

[Bridge:]

No matter what you say I ain't going nowhere
No matter what you do I'm gon always be there
The love that we share it lives inside of me
No matter what you hearing it's all in the past
No matter what you feeling this love is gon last
The heart of his soul it lives inside of me

[Hook:]

My man: he makes me feel so special
My man: he makes me feel so precious
My man: he makes me feel wonderful
My man: I'm living so comfortable with
My man: he makes me feel so special
My man: he makes me feel so precious
My man: he makes me feel wonderful
He's thugged out but he's my man

[Verse 2:]

You say you can't trust him because he been locked
up
You say that he's trouble cause he out in the strip club
But you were young once so you should understand
You say that you know; say you've been a witness
You say it's for sho; say he's got a mistress
Until you can show me I'm gonna stand by him
No matter what you say I ain't going nowhere
No matter what you think I'm gon always be there
The love that we share it lives inside of me
No matter what you hearing it's all in the past
No matter what you feeling this love is gon last
The heart of his soul it lives inside of me

[Hook:]

My man: he makes me feel so special
My man: he makes me feel so precious
My man: he makes me feel wonderful
My man: Iâ€™m living so comfortable with
My man: he makes me feel so special
My man: he makes me feel so precious
My man: he makes me feel wonderful
Heâ€™s thugged out but heâ€™s my man
