Hey honey, cat got your tongue don't look so funny
Mr comedian jokes on you, and your good at that so
wheres my money, I know you thought I'd never make
that move

so whys the house empty, lights off by the end of this
week. I leave with what I came with baby, I keep the
dog, you take the mercedes

Cus I'm gone, I'm great, I walk these roads with grace
and wave to you behide me witha new smile on my face
cus....

I'm walking in new shoes now
I got a new song to sing
When I walk in the room every head turn
every eye is on me
too bad your not here to see it, by the time you get this
I'll be so long gone and far,
I'll send you post card, ha ha,
I'll send you a post card.

[New Shoes (remix) feat. AZ Lyrics On]
Hey baby, you sing the song this aint your lady,
this is the chick that you held back now,
all of the things you said were crazy, I took up on it and
I feel good about it, I got that new hair cut,
the one you said wouldn't look no good,
I took that job you said I would not get,
wore that dress you said I'd never fit.

Cus your gone, I'm great, I got rid of your dead weight,
and wave to you behide me witha new smile on my face
cus

I'm walking in new shoes now, I got a new song to sing
When i walk in the room every head turn, every eye is
on me, Too bad your not here to see it, by the time you
get this,
I'll be so long gone and far,
I'll send youa post card, ha ha,
I'll send you a post card.
