Hey Honey  
Cat got your tongue dont look so funny  
Mr. comedian, joke's on you  
and you're good at bets so where's my money

i know you bet i would never make that move

so why's the house empty  
light's off by the end of this week  
i'll leave with what i came with baby  
i'll take the dogs and the mercedes

cause i'm gone i'm not phased  
i'll walk these roads with grace  
and i'll wave with you behind me with a new smile on  
my face

[New Shoes Lyrics on ]

cause i'm walking in new shoes now  
i got a new song to sing  
when i walk in the room every head turns  
every eye is on me  
too bad you're not here to see it  
and by the time you get this  
i'll be so long gone and far  
i'll send you a postcard  
aha ill send you a postcard

hey baby  
you seem to ghost this ain't yo lady  
this is the chick that you held back now  
now all of the things you've said were crazy  
i checked out my list and i feel good about it  
i got the new haircut  
the one that you said that wouldnt look no good  
took that job you said i could not get  
wore that dress you said i'd never fit

cause you're gone and i'm great  
i got rid of your dead weight  
and ill wave at you behind me with a new smile on my  
face

cause i'm walking in new shoes now  
i got a new song to sing  
when i walk in the room every head turns  
every eye is on me  
to bad you're not here to see it  
and by the time you get this  
i was so long gone and far  
i'll send you a postcard
