"Rise Up"

I'm the matriarch of your land
When you need to take my hand
Come into my arms
I'll keep you safe from harm
I'll keep your precious heart
Some people try to drag you down
Take it from me stand and be proud
You're a warrior
You're my warrior
Be who you are
Be who you are

Know that life holds more than what you see
Rise up little man
Rise up little man

CHOURS
(I Will)

Fight for you and me
Look into my eyes and believe
Little woman we will fight for you, we will fight for you
Little woman will fight we will rise
I see you and me
Take my hand and we,
We will stand we will fight for you, we will fight for you
We will stand and together we will rise

They'll burn you at the stake if you don't act like they want you to
But baby be yourself,
Do good and help the world
Be who you are
Be who you are

Know that life holds more than what you see
Rise up little man

Rise up little man

CHOURS

Rise up, rise up little man

Don't be scared

I'm holding your hand (Be who you are)

Know that life holds more than what we see and what we get (Be who you are)

Rise up, rise up little woman

Don't be afraid to risk it all

Know that life holds more than what we see and what we get

CHOURS
