Verse 1

If I wrote a book about where we stand
Then the title of my book would be life with superman.
Thats how you make me feel, I count you as a privilege
This love is so ideal, Im honored to be in it.
I know you feel the same, I see it every day.
And all the things you do, and all the things you say.

(Chorus):

You are my roc, baby your
the truth
You are my roc, I love to rock with you
You are my roc, Your everything I need
You are my roc, so baby rock with me

I wanna kiss ya ,feel you
Please ya, just fine, wanna touch ya, love ya, baby all
night
Reward ya for, all the things you do, you are my roc I
love to rock with u.
I love to rock with you

Verse 2

If I would try to count the ways that make me smile.
Id run out of fingers before Id run out of time.
Theres thing to talk about, sugar you gets it going on.
Think I wanna keep my lovin strong.
Think I wanna try my best to give you what you want
and what you need.
Give you my whole heart not just a lil piece.
More than a minium Im taking everything
More than a single wish, Im talking every dream.

(Chorus):

You are my roc, baby your the truth
You are my roc, I love to rock with you
You are my roc, Your everything I need
You are my roc, so baby rock with me

I wanna kiss ya ,feel you
Please ya, just fine, wanna touch ya, love ya, baby all

night

Reward ya for, all the things you do, you are my roc I
love to rock with u.
I wanna rock with you

Verse 3

If theres options I do want them.
Their not worth my time.
Cause if its not you, oh no thank you
I like us just fine.
Youre a rock in the sand, youre a smile and a cry,
youre my joy through the pain, youre the truth through
the lies.
No matter what I do, I know that I can count on you.

(Chorus):

You are my roc, baby your the truth
You are my roc, I love to rock with you
You are my roc, Your everything I need
You are my roc, so baby rock with me

I wanna kiss ya ,feel you
Please ya, just fine, wanna touch ya, love ya, baby all
night
Reward ya, for all the things you do, you are my roc I
love to rock with u.
I love to rock with you

I wanna kiss ya ,feel you
Please ya, just fine, wanna touch ya, love ya, baby all
night
Reward ya, for all the things you do, you are my roc I
love to rock with u.
I wanna to rock with you
