All the single ladies
All the single ladies
All the single ladies
All the single ladies
All the single ladies
All the single ladies
All the single ladies

Now put your hands up
Up in the club, we just broke up
I'm doing my own little thing

Decided to dip but now you wanna trip
Cuz another brother noticed me

I'm up on him, you're up on me
Don't pay him any attention

cried my tears, three good years
Ya can't be mad at me

[Chorus]

Cuz if you liked it then you should have put a ring
on
it
If you liked it then you should have put a ring on it
Don't be mad once you see that he want it
If you liked it then you should have put a ring on it

Cuz if you liked it then you should have put a ring
on
it
If you liked it then you should have put a ring on it
Don't be mad once you see that he want it
If you liked it then you should have put a ring on it

I got gloss on my lips, a man on my hips
Hold me tighter than my Dereon jeans
acting up, drank in my cup
I could care less what you think

I need no permission, did I mention
Don't pay him any attention
Cuz you had your turn
But now you gonna learn
What it really feels like to miss me

[Chorus]

Cuz if you liked it then you should have put a ring
on
it
If you liked it then you should have put a ring on it
Don't be mad once you see that he want it
If you liked it then you should have put a ring on it

Cuz if you liked it then you should have put a ring
on
it
If you liked it then you should have put a ring on it
Don't be mad once you see that he want it
If you liked it then you should have put a ring on it

(bridge)

Don't treat to these things of this world
I'm not that kind of girl
Your love is what I prefer, what I deserve
He's a man that makes me and takes me
And delivers me to a destiny, to infinity and beyond
Pull me into your arms
Say I'm not the one you own
If you don't, you'll be alone
And like a ghost I'll be gone

All the single ladies
All the single ladies
All the single ladies
All the single ladies
All the single ladies
All the single ladies
All the single ladies

Now put your hands up

[Chorus]

Cuz if you liked it then you should have put a ring
on
it
If you liked it then you should have put a ring on it
Don't be mad once you see that he want it
If you liked it then you should have put a ring on it

Cuz if you liked it then you should have put a ring
on
it
If you liked it then you should have put a ring on it
Don't be mad once you see that he want it
If you liked it then you should have put a ring on it
