"Start Over"

I feel weak, we've been here before
'Cause I feel we keep going back and forth
Maybe it's over, maybe we're through
But I honestly can't say I still love you

Maybe we reached the mountain peak
And there's no more left to climb
And maybe we lost one magic piece
And we're both too blind to find

Let's start over, let's give love the wings
Let's start over, stop fighting 'bout the same old thing
Let's start over, we can't let our good love die
Maybe we can start all over, give love another life

I can see that we're not happy here
So why won't we keep pretending
When there's nothing there
Maybe you like it, well, I don't
Maybe you said so, well, I won't

Maybe we reached the mountain peak
And there's no more left to climb
And maybe we lost one magic piece
And we're both too blind to find

Let's start over, let's give love the wings
Let's start over, stop fighting about the same old thing
Let's start over, we can't let our good love die
Maybe we can start all over and give love another life

I know that this will hurt you
I know you'll cry
I know I called you selfish but that's a lie
I feel I know that's the best for us
Let's

Start over and let's give love the wings
Let's start over, I'm tired of fighting about the same old thing
Let's start over, we both know that this love won't die
Maybe we can start all over and give love another life
