## VERSE 1

I like to feel so high and  
You feel good feeling low  
I like my colors vivid  
And you paint yo colors bold  
I like see the world  
And you like your weekends home  
But I've been staying behind  
While you refuse to go!

## CHROUS

Cuz you are you such a burden  
But you're the weight above my shoulders  
And even though I'm hurtin'  
It still feels like each time I'm growning  
When I thought that we'd grow up and grow together at  
the same time  
Guess I you passed by  
At that old stop sign  
At that old stop sign

## VERSE 2

You like to sleep all day  
And I like my minutes old  
Ilike trips to the movies  
Watch T.V. all night long  
I like to go out dancing  
And you go out just to hang  
And i've been right beside you  
losing me and doing the same

## CHROUS

Cuz you are such a burden  
But you're the weight above my shoulders  
  
And even though I'm hurtin'  
It still feels like each time I'm growing  
When I thought that we'd grow and grow together at  
the same time  
Guess I passed you by  
At that old stop sign  
At that old stop sign

VERSE 3

I looked around  
And baby you were gone  
Where did I lose you honey  
I even slowed down  
Thought you would follow  
But you took your own roads honey

BRIDGE

I've been travelin', travelin', travelin'  
Only to find out I'm making this trip all alone  
And I've been staying behind while you refuse to go!

CHROUS

Cuz you are such a burden  
But you're the weught above my shoulder  
And even though I'm hurtin'  
It still feels like this each I'm growing  
When I thought that we'd grow up and grow together at  
the same time  
Guess I passed yuo by  
At that old stop sign  
At that old stop sign..
