Oh Oh Oh Oh Oh Oh
Oh Oh Oh

Queen B is back (Yes)
Jay-Z on the track (Yes)
You know that I own the crown
Rihanna you can sit down
Lessors glue your wigs on
Touchdown bout to be the bomb

16 years (in the game)
Ciara be (put to shame)
Nobody got a voice (like)
a body (like) moves (like)
the Queen, I'm bout to blow it up
Superbowl, sho nuff

On February third, bitches gonna swerve, whitney gone
be spinning in her grave
im gonna end britneys career, the lessors will be mad
but so what i, i, i dont give a fuck
im gonna be the touchdown
touchdown
touchdown
touchdown, bout to be the
touchdown
touchdown
