Why don't you love me
Tell me baby why don't you love me
When I make me so damn easy to love.

Why don't you need me, tell me baby why don't you
need me
When I make me so damn easy to need.

I got beauty. I got class. I got style and I got ass.
And you don't even to care.
You need to love me in a bank account
don't have to ask no one to help me out
you don't even notice that.

Why don't you love me
Tell me baby why don't you love me
when i make me so damn easy to love.

why don't you need me Tell me baby why don't you
need me
when I make me so damn easy to need.

I got beauty i got heart see my hats and boots I'm
sharp
but you don't care to know I'm smart
[Why Don't You Love Lyrics On]
I got moves in your bedroom
but you don't seem to be in tune.
why don't you love me
tell me baby why don't you love me
When I make me so damn easy to love

Hey yeah
Why don't you need me
Tell me baby why don't you need me
When I make me so damn easy to need.
Nothing not to love about me

Nothing not to love about me!

Love me.

There's nothing not to need about me.
There's nothing not to need about me.

Maybe you're just not the one.
