Oh oh oh I, oh oh oh I

If I wrote a book about where we stand
Then the title of my book would be "Life with
Superman" That's how you make me feel I count you as
a privilege This love is so ideal
I'm honored to be in it
I know you feel the same I see it everyday
In all the things you do in all the things you say

You are my rock
Baby you're the truth
You are my rock
I love to rock with you
You are my rock
You're everything I need
You are my rock
So baby rock with me
I wanna kiss ya, feel ya, please ya just right
I wanna touch ya, love ya, baby all night
Reward ya, for all the things you do
You are my rock
I love to rock with you
I love to rock with you Oh oh oh I

If I were to try to count the ways You make me smile
I'd run out of fingers Before I run out of timeless things
to talk about Sugar you keep it going on
Make me wanna keep my lovin strong
Make me wanna try my best
To give you what you want and what you need
Give you my whole heart, not just a little piece
More than a minimum,
I'm talking everything
More than a single wish,
I'm talking every dream

You are my rock
Baby you're the truth
You are my rock
I love to rock with you

You are my rock
You're everything I need
You are my rock
So baby rock with me
I wanna kiss ya, feel ya, please ya just right
I wanna touch ya, love ya, baby all night
Reward ya, for all the things you do
You are my rock
I love to rock with you
I wanna rock with you

If There's options I dont want them
They're not worth my time
Cause if it's not you, oh no thank you I like us just fine
You're a rock in the sand You're a smile in a cry You're
my joy through the pain
You're the truth through the lies
No matter what I do I know that I can count

on youuuuuuu.....Oh oh oh I, oh oh oh I

You are my rock
Baby you're the truth
You are my rock
I love to rock with you
You are my rock
You're everything I need
You are my rock
So baby rock with me
I wanna kiss ya kiss ya, feel ya feel ya, please ya just
right
I wanna touch ya touch ya, love ya love ya, baby all
night
Reward ya, for all the things you do
You are my rock
I love to rock with you
I love to rock with youuu
