Slowly as Sir Luscious step up like a Q-Dawg
A-town's up, deuces down it's the new call
And you can dial 1-888-cut-something
I'm your kinky operator when you wanna fuck
something

Ain't no dial tones just milestones of pleasure to reach
To each his own, I'm a stone cold aquarian freak
Humanitarian, barbarian but under the sheets
It's the player from the point and your girl from the D

Are you infatuated with me
I could end your curiosity
If you don't think I'm too rude
Here's your chance to make your move

I sit and wait for nobody
People say that my, my style is so crazy
I think you like it baby, do you want to get nasty?
I dare you to undress me

Baby, let me know if you wanna roll with this hip hop
star
Bad boots on, pants down low
I'm a hip hop star
Baby let me know if you wanna ride with this hip hop
star
I'm a rock star

Do I blow you away?
Do I stimulate your mind?
Would you taste my love if I kick it tight

I have none to waste with you
I guess you can say, my style is so crazy
I think you like it baby, do you want to get messy?
I dare you to undress me

Baby, let me know if you wanna roll with this hip hop
star
Bad boots on, pants down low
I'm a hip hop star

Baby let me know if you wanna ride with this hip hop
star
I'm a rock star

Undress me, undress me
You can come
Come baby, undress me

Take off that tank top and pull off them drawers
The girls all pause, got them drippin' down they sugar
walls
Aw naw! Getting to the nappy root
Knocking boots and stilettos, damn I keep it ghetto

A cool type of fellow, mellow got the gold medal
Never settle for less my rose petal
Tooey, tooey, tooey, tooey! Spit game
Venom to get it up in 'em, let me P pop that thang

First check her brain to see if she's sane
Deranged or strange or crazy as hell
You never can tell these days
Everybody got a little Rick James in their veins, man

The way I feel, oh girl, I know its 'bout to be
Me all on you, and damn girl you all over me

Baby, let me know if you wanna roll with this hip hop
star
Bad boots on, pants down low
I'm a hip hop star
Baby let me know if you wanna ride with this hip hop
star
I'm a rock star
