You need to stop playing 'round with all them clowns
and the wangstas
Good girls gotta get down with them gangstas
Go 'head girl, put some back and some neck up on it
While I stand up in the background and check up on it

Oh boy, you looking like you like what you see
Won't you come over check up on it? I'm gon' let you
work up on it
Ladies let 'em check up on it, watch it while he check up
on it
Dip it, pop it, twork it, stop it, check on me tonight

If you got, flaunt it, boy, I know you want it
While I turn around, you watch me check up on it
Ooh, you watchin' me shake it, I see it in ya face
Ya can't take it, it's blazin', you rock me, it amaze me

You can look at it, as long as you don't grab it
If you don't go braggin', I'ma let you have it
