(feat. Marc Nelson)

[Beyonce]

Here I am

Looking in the mirror

An open face, the pain erased

Now the sky is clearer

I can see the sun

Now that all is, all is said and done, oh

[Marc]

There you are

Always strong when I need you

You let me give

And now I live, seriously and protected

With the one I will love

After all is, all is said and done

[Beyonce (Marc)]

I once believed that hearts were made to bleed

(Inside I once believed that hearts were made to bleed,  
oh baby)

But now I'm not afraid to say

[Beyonce & Marc]

I need you, I need you so stay with me

[Beyonce (Marc)]

These precious (precious) hours (yeah)

Greet each dawn in open arms

And dream, into tomorrow

[Beyonce & Marc]

Where there's only love

After all is, all is said and done

[Beyonce (Marc)]

(Yeah baby) Oh baby

(Inside I once believed, that hearts were meant to  
bleed)

[Beyonce & Marc (Marc)]

(I'll never)  
I'll never be afraid to say  
I need you, I need you, so here

[Beyonce]  
So here we are in the still of this moment  
Fear is gone, hope lives on

[Beyonce & Marc (Beyonce)]  
We found our happy ending  
For there's only love (only love)  
And this sweet, sweet love  
After all is, all is said and done

[Marc (Beyonce)]  
Yeah baby after all is (all is)

[Marc & Beyonce]  
All is said and done
