Remember the first day when I saw your face?  
Remember the first day when you smiled at me?  
You stepped to me, and then you said to me,  
I was the woman you dreamed about.  
Remember the first day when you called my house?  
Remember the first day when you took me out?  
We had butterflies although we tried to hide it,  
And we both had a beautiful night.

The way we held each other's hand,  
The way we talked, the way we laughed,  
It felt so good to find true love  
I knew right then and there you were the one  
ooh oh ooh

I know that he loves me, cause he told me so  
I know that he loves me, cause his feelings show  
When he stares at me, you see he cares for me  
You see how he is so deep in love  
I know that he loves me cause it's obvious  
I know that he loves me cause it's me he trusts  
And he's missing me, if he's not kissing me  
And when he looks at me his brown eyes tell his soul

Remember the first day, the first day we kissed?  
Remember the first day we had an argument?  
We apologized, and then we compromised  
And we haven't argued since  
Remember the first day we stopped playing games?  
Remember the first day you fell in love with me?  
It felt so good for you to say those words  
Cause I felt the same way too

The way we held each other's hand,  
The way we talked, the way we laughed  
It felt so good to fall in love  
And I knew right then and there you were the one ooh  
oh ohhwoah

I know that he loves me, cause he told me so  
I know that he loves me, cause his feelings show  
When he stares at me you see he cares for me

You see how he is so deep in love,  
I know that he loves me cause it's obvious  
I know that he loves me cause it's me he trusts  
And he's missing me, if he's not kissing me  
And when he looks at me his brown eyes tell his soul.

I'm so happy, so happy that you're in my life  
And baby now that you're a part of me  
You showed me,  
Showed me the true meaning of love (the true meaning  
of love)  
And I know he loves me

I know that he loves me, cause he told me so  
I know that he loves me, cause his feelings show  
When he stares at me you see he cares for me  
You see how he is so deep in love  
I know that he loves me cause it's obvious  
I know that he loves me cause it's me he trusts  
And he's missing me, if he's not kissing me  
And when he looks at me his brown eyes tell his soul  
He looks at me and his brown eyes...  
Tell his soul
