(feat. T-Boz of TLC)

[T-Boz:]

Never lost that feeling  
Once I got that feeling for you  
I knew  
That there was something special  
You had a certain sparkle 'bout you  
It's true

[Hook:]

I could not be more sincere  
Boy whenever you are near  
I just lose my mind, I get weak inside  
Swear I can't do anything  
And I

[Chorus A:]

I can't help myself  
I'm in love with you and nobody else  
It's real as hell  
And I can't deny it's how I feel

[Beyonc?:]

Never did stop falling  
Once you started calling for me  
Fell deep  
Living in denial  
Couldn't see what you saw in me  
Ooh baby baby now I

[Hook:]

I can see it all so clear  
I have nothing left to fear  
With you by my side, ain't no need to hide  
I can tell you anything

[Chorus A:]

I can't help myself  
I'm in love with you and nobody else  
It's real as hell  
And I can't deny it's how I feel

[Vamp:]  
Feel... Feel... Feel...  
I... (I can't help myself)  
Can't help... (I can't help myself)  
Myself...  
Ooh baby baby now I

[Hook:]  
I can see it all so clear (All so clear)  
I have nothing left to fear (Fear)  
With you by my side  
Ain't no need to hide  
I can tell you anything

[Chorus A:]  
I can't help myself  
I'm in love with you and nobody else  
It's real as hell  
And I can't deny it's how I feel

[Chorus B: x2]  
I can't help... (can't help)  
Help myself... (myself)  
I can't help...  
I'm in love with you and nobody else  
I can't help... (it's real)  
Help myself... (as hell)  
I can't help...  
And I can't deny it's how I feel
