[Beyonce]

The cards never lie
My last breath a sigh
And now I think about it
It's my time to die
I don't know what I was thinkin
Steady wastin time with Hill and
I need to live my life because my time is unforgiven
I can't understand how my life changed around
Manifest my destiny is it the brown
Underground
Blue skies are turnin grey
It's the point of indecision
Believin in the cards you must respect it's every vision

[Wyclef]

Girlfriend get yo mind on line
Don't spend yo time
Cause you can't waste yo time
Everyday like it's yo last
But you must fear devine
Intervention come and snatch up on yo dreams from
behind
Love
You fel it and you got to let him know it
Love
Yo heart and that's the feelin that you go with
If you have a dream you need to go and let him know it
Cause you could wake up in the mornin and it could be
over

[Beyonce]

No, no, no, no
I don't wanna, I don't wanna, I don't wanna go
Just, just, just let me stay home
Just let me live my dreams
Let me see another dawn
No, no, no, no
I don't wanna, I don't wanna, I don't wanna go
Just, just, just let me stay home
Just Let me live my dreams
Let me see another dawn

[Rah Digga]
Carmen,
Don't listen cause the cards have deceit
Just slide him the money
We don't need a receipt
Truth only exist within the eyes of the beholder
Plus his kinda young for fortune tellin
Probably should be older

[Wyclef]
But the cards never lie
I thought I told you
Now it's her time to try
To reach her goals before she reaches the sky

[Beyonce]
So love is like i'm trying throw my life away sometimes
love is all you got and other times it makes you pay

[Wyclef]
But when you finally rise
Then you'll realize

[Beyonce]
The windows to the soul
Are not the hips but the eyes

[Wyclef]
Oh, you can wish on the stars
But they're dead just a light

[Beyonce]
But they shine just as bright
As they did their entire lives

No, no, no, no
I don't wanna, I don't wanna, I don't wanna go
Just, just, just let me stay home
Just let me live my dreams
Let me see another dawn
(repeat 1x)
