Boy oy -oy -oy!

Oh, killing me softly and I'm still fallin'  
Still the one I need, I will always be with you  
Oh, you got me all gone, don't ever let me go  
Say it real loud if you fly  
If you leave me you're out of your mind

My baby is a 10  
We dressing to the 9  
He pick me up we 8  
Make me feel so lucky 7  
He kiss me in his 6  
We be making love in 5  
Still the one I do this 4  
I'm trying to make a 3  
From that 2  
He still the 1

There's ups and downs in this love  
Got a lot to learn in this love  
Through the good and the bad, still got love  
Dedicated to the one I love, hey

Still love the way he talk, still love the way I sing  
Still love the way he rock them black diamonds in that  
chain  
Still all up on each other, ain't a damn thing changed  
My girls can't tell me nothing, I'm gone in the brain  
I'm all up under him like it's cold, winter time  
All up in the kitchen in my heels, dinner time  
Do whatever that it takes, he got a winner's mind  
Give it all to him, meet him at the finish line

Me and my boo, in my boo coupe riding  
All up in that black with his chick right beside him  
Ladies, if you love your man show him you the finest  
Grind up on it, girl, show him how you ride it  
Me and my boo in my boo boo riding  
All up in that black with his chick right beside him  
Ladies, if you love your man show him you the fliest  
Grind up on it, girl, show him how you ride it

Oh, killing me softly and I'm still fallin'  
Still the one I need, I will always be with you  
Oh, you got me all gone, don't ever let me go  
Say it real loud if you fly  
If you leave me you're out of your mind

My baby is a 10  
We dressing to the 9

Make me feel so lucky 7

Still the one I do this 4  
I'm trying to make a 3  
From that 2  
He still the 1

Yup, I put it on him, it ain't nothing that I can't do  
Yup, I buy my own, if he deserve it, buy his shit too  
All up in the store, shawty, trickin' if I want to  
All up in the store, shawty, fly as we want to

Ooo ooo ooo ooo  
Damn I think I love that boy  
Do anything for that boy  
Boy -oy -oy -oy!  
Now I'll never be the same  
It's you and me until the end

Me and my boo, in my boo coupe riding  
All up in that black with his chick right beside him  
Ladies, if you love your man show him you the finest  
Grind up on it, girl, show him how you ride it  
Me and my boo and my boo lip locking  
All up in the back cause the chicks keep flocking  
All that gossip in 10 years, stop it!  
London speed it up, Houston rock it

Oh, killing me softly and I'm still fallin'  
Still the one I need, I will always be with you  
Oh, you got me all gone, don't ever let me go  
Say it real loud if you fly  
If you leave me you're out of your mind

My baby is a 10

From that 2
