[Verse 1:]

I just wanna show you how much I appreciate you, yes  
Wanna show you how much I'm dedicated to you, yes  
Wanna show you how much I will forever be true, yes  
Wanna show you how much you got your girl feeling  
good, yes  
Wanna show you how much, how much you  
understood, yes  
Wanna show you how much I value what you say,  
Not only are you loyal, you're patient with me babe, yes  
Wanna show you how much I really care about your  
heart,  
Wanna show you how much I hate being apart, yes  
Wanna show you show you show you till you through  
with me,  
I wanna keep it how it is so you can never say how it  
used to be!

[Pre-Chorus:]

Loving you is really all that's on my mind  
And I can't help but to think about it day and night,  
I wanna make that body rock  
Sit back and watch!

[Chorus:]

Tonight I'm gonna dance for you, oh  
Tonight I'm gonna dance for you, oh  
Tonight I'm gonna put my body on your body  
Boy I like it when you watch me, ah  
Tonight it's going down  
I'll be rocking on my babe, rocking, rocking on my  
babe,  
Swirling on my babe, swirling, swirling on my babe  
Baby let me put my body on your body  
Promise not to tell nobody  
'Cause it's about to go down!

[Verse 2:]

You'll never need 2 'cause I will be your number 1  
Them other chicks are superficial  
But I know you know I'm the one  
That's why I'm all into you

'Cause I can recognize that you know that  
That's why I'm backing this thing back  
Pop-popping this thing back  
Drop, drop, drop-dropping this thing back  
This is for the time you gave me flowers  
For the world that is ours  
For the mula, for the power of love  
And no I won't never ever e-ever give you up  
And I wanna say thank you in case I don't thank you  
enough  
A woman in the street and a freak in the you know what  
Sit back, sit back, it's the pre-game show  
Daddy you know what's up!

[Pre-Chorus:]

Loving you is really all that's on my mind  
And I can't help but to think about it day and night,  
I wanna make that body rock  
Sit back and watch!

[Chorus:]

Tonight I'm gonna dance for you, oh  
Tonight I'm gonna dance for you, oh  
Tonight I'm gonna put my body on your body  
Boy I like it when you watch me, ah  
Tonight it's going down  
I'll be rocking on my babe, rocking, rocking on my  
babe,  
I'll be swirling on my babe, swirling, swirling on you  
babe  
I'm gonna put my body on your body  
Promise not to tell nobody  
'Cause it's about to go down!

[Bridge:]

I'm a take this time to show you how much you mean to  
me  
'Cause you are all I need,  
No money can emphasize  
Or describe  
The love that's in-between the lines  
Boy look into my eyes  
While I'm grinding on you  
This is beyond sex,  
I'm high on you  
If it's real then you know how I feel  
Rocking on you babe, rocking, rocking on you babe  
Swirling on you babe,  
In my mind all I can think about is a frame for our  
future  
And the pictures of the past and a chance to make this

love last!

[Chorus:]

Tonight I'm gonna dance for you, oh  
Tonight I'm gonna dance for you, oh  
Tonight I'm gonna put my body on your body  
Boy I like it when you watch me, ah  
Tonight it's going down  
I'll be rocking on my babe, rocking, rocking on my  
babe,  
I'll be swirling on my babe, swirling, swirling on you  
babe  
I'm gonna put my body on your body  
Promise not to tell nobody  
'Cause it's about to go down, oh!

[Outro: x2]

Watch me p-pop it, p-pop it for you baby  
Pop it drop it, drop it, drop it for you baby  
Watch it, watch it, watch it, watch me roll it baby  
Wanna make that body rock  
Sit back and watch
