I love you  
I love you, I love you

Baby, I love you  
You are my life  
My happiest moments weren't complete  
If you weren't by my side  
You're my relation and connection to the sun  
With you next to me  
There's no darkness I can't overcome  
You are my raindrops, I am the seed  
With you and God who's my sunlight  
I bloom and grow so beautifully  
Baby, I'm so proud  
Proud to be your girl  
You make the confusion go all away  
From this cold and mixed up world

Chorus:  
I am in love with you  
You set me free  
I can't do this thing called life  
Without you here with me  
'cause I'm dangerously in love with you  
I'll never leave  
Just keep loving me the way I love you loving me  
'cause I am in love with you  
You set me free  
I can't do this thing called life  
Without you here with me  
'cause I'm dangerously in love with you  
I'll never leave  
Just keep loving me the way I love you loving me

And I know you love me  
Love me for who I am  
'cause years before I became who I am  
Baby, you were my man  
Know it ain't easy  
Easy loving me and  
I appreciate the love and dedication from you to me  
Later on in my destiny, I see myself having your child

I see myself being your wife  
And I see my whole future in your eyes  
Thought of all my love for you sometimes makes me  
wanna cry  
I realize all my blessings  
I'm grateful to have you by my side

Chorus

Every time I see your face, my heart smiles  
Every time it feels so good  
It hurts sometimes  
Created in this world to love, to hold  
To feel, to breathe, to live you  
Dangerously in love

Chorus

Dangerously  
Dangerous, dangerously in love with you  
Oh, I love you  
I love you, love you, love you, love you, love you  
I love you  
Oh yes  
I love you  
I love you, love you, love you  
I love you, love you  
Love you  
I love you  
I love you, I love you  
I love you  
Dangerously in love
