Come take my hand I won't let you go
I'll be your friend I will love you so deeply
I will be the one to kiss you at night
I will love you until the end of time
I'll be your baby I promise not to let you go
Love you like crazy say you'll never let me go
Say you'll never let me go
Say-say you'll never let me go
Say you'll never let me go
Say-say you'll never let me go

Take you away from here
It's nothing between us but space and time
I'll be your own little star that'll be shining you up
Or your own little universe make me your girl
