(feat. Bilal)

[Bilal]

Every step I make
And every breath I take
I took 'cause I can't wait
To be closer to you

[Beyoncé]

Baby you're so sweet
You give me cavities
I get a stomach ache
If I can't be with you

[Bilal]

At night I fall asleep
And I don't wanna wake up

[Beyoncé]

'cause you are in my dreams
A heavenly creation

[Both]

In the body that
I only wanna share with you

[Bilal]

Hey

[Chorus]

Everything I do is just for you
Countin every second til we rendezvous
And I can't wait
To give my love to you
'cause everything I do is just for you

[Be] Baby we will never finish

[Bi] To be continued

[Be] Separation can't change

[Bi] The love I feel for you

[Be] I'm gonna definitely be affectionate

[Bi] Snuggle up tonight lets get real intimate

[Be] Only you can satisfy my appetite
[Bi] 'cause when it comes to love
[Be] You get me get so excited
I wanna taste your lips
My body melts in bliss every time

[BeyoncÃ©]
Everything I do is just for you
Countin every second til we rendezvous
And I can't wait
To give my love to you
'cause everything I do is just for you

Everything I do is just for you
Countin every second til we rendezvous
And I can't wait
To give my love to you
'cause everything I do is just for you

You are my
(you are my)
Universe
(universe)
Everything I want and
Everything I need and
Everything worth waiting for
For
For better or for worse
Constant craving
Your love enslaves me
Oh

Everything I do is just for you
Countin every second til we rendezvous
And I can't wait
To give my love to you
'cause everything I do is just for you

Give it to me baby
I wanna give it to you
Give it to me baby
I can't wait
Everything I do is just for you
Everything I do is just for you
Everything I do is just for you

Everything I do is just for you
Everything I do is just for you
Everything I do is just for you
I can't wait to give you my love
Everything I do is just for you
