Some of them men think they freak this like we do
But no they don't
Make your cheque come at they neck
Disrespect us no they won't

Boy don't even try to touch this
Boy this beat is crazy
This is how they made me
Houston, Texas baby
This goes out to all my girls that's in the club rocking
the latest
Who will buy it for themselves and get more money
later
I think I need a barber
None of these n***** can fade me
I'm so good with this
I remind you I'm so hood with this
Boy I'm just playing
Come here baby
Hope you still like me
F' you pay me

My persuasion can build a nation
Endless power, the love we can devour
You'll do anything for me

It's hot up in here DJ don't be scared to run this run this
back
I'm repping for the girls who taking over the world help
me raise a glass for the college grads
41 rollin' to let you know what time it is, check
You can't hold me
I work my 9 to 5, better cut my check
This goes out to all the women getting it in you're on
your grind
To other men that respect what I do please accept my
shine
Boy you know you love it how we're smart enough to
make these millions
Strong enough to bear the children then get back to
business
Please, you better not play me oh come here baby
Hope you still like me, F' you pay me

My persuasion can build a nation
Endless power, the love we can devour
You'll do anything for me
