Remember those walls I built  
Well baby they're tumbling down  
And they didn't even put up a fight  
They didn't even make a sound

I found a way to let you in  
But I never really had a doubt  
Standing in the light of your halo  
I've got my angel now

It's like I've been awakened  
Every rule I had you breakin'  
It's the risk that I'm takin'  
I ain't never gonna shut you out

Everywhere I'm looking now  
I'm surrounded by your embrace  
hatit I can see you halo  
You know you're my saving grace  
You're everything we need and more  
It's written all over you face  
haiti we can feel your halo  
Pray it won't hide away

I can see your halo... halo...) halo  
(I can see your) halo... (halo...) halo-o  
(I can feel your) halo... (halo...) halo-o-o  
(I can see your) halo... (halo...) halo... uhoo

Hit me like a ray of sun  
Burning through my darkest nights  
You're the only one that I want  
Think I'm addicted to your light

I swore I'd never fall again  
But this don't even feel like fallin'  
Gravity came again  
To pull me back to the ground again

It's like I've been awakened  
Every rule I had you breakin'  
It's the risk that I'm takin'

I ain't never gonna shut you out

Everywhere we looking now  
I'm surrounded by your embrace  
haiti I can see you halo  
You know you're my saving grace  
You're everything we need and more  
It's written all over you face  
haiti I can feel your halo  
Pray it won't hide away

I can feel your halo... halo...) halo  
(I can see your) halo... (halo...) halo-o  
(I can feel your) halo... (halo...) halo-o-o  
(I can see your) halo... (halo...) halo

(I can feel your halo [uhoo] halo...) halo  
(I can see your) halo... (halo...) halo-o  
(I can feel your) halo... (halo...) halo-o-o  
(I can see your) halo... (halo...) halo... uhoo

Halo uhooo  
halo uhooo uhooo uhoo-oo-oo-oo-oo-oo  
uhoo-oo-oo-oo-oo-oo-oo oo oo

Everywhere I'm looking now  
I'm surrounded by your embrace  
Haiti I can see you halo  
You know you're my saving grace  
You're everything we need and more  
It's written all over you face  
hatit I can feel your halo  
Pray it won't hide away
