Chorus

Think be crazy
It seem you be with me
And I told you to stop
Who I love the most it mostly you
When I looking into your eyes
Tell me will be together forever
I know this would hurt me
Least find a song on the radio
I can to listing
I want you with me all the time repeat x4

Verse 1

But sometime
I know you would actted up
So I change the game for you
Given my heart
Thought you would change for me
I came to vist you
What did you do
My heart in bad shape
Once I get to point
I see you at home
My love so strong for you
Didn't leave no messge
All want is you
Pen me against your bed post
Always have you in my sight
I want you with me all the time

Chorus x4

Why I'm in love so love in with you x4

Verse 2

Think it be crazy
It seem you be with me (all the time) I like way you do it
baby so hot (change my mind forever) think about it
What I can do for you
I want you to be the man I'm with
I want you with me all the time

Special occasion
When you pick me up
All other reason why
I want you with me all the time

Pre chorus
I want you to be the man I'm with
I want you with me all the time
Special occasion
When you pick me up
All other reason why
I want you with me all the time repeat x4

Why I'm in love so love in with you x4

I got to see you all the time
time
That we always to be together
You all my weekday sunday, monday, tuesday,
wednesday
Special thursday, friday, and saturday it be the best of
time
Pre chorus x4

Why I'm in love so love in with you x4
