I wanna leave my footprints on the sands of time
Know there was something that, and something that I
left behind
When I leave this world, I'll leave no regrets
Leave something to remember, so they won't forget

I was here
I lived, I loved
I was here
I did, I've done, everything that I wanted
And it was more than I thought it would be
I will leave my mark so everyone will know
I was here

I want to say I lived each day, until I die
And know that I meant something in, somebody's life
The hearts I have touched, will be the proof that I leave
That I made a difference, and this world will see

I was here
I lived, I loved
I was here
I did, I've done, everything that I wanted
And it was more than I thought it would be

I will leave my mark so everyone will know

I was here
I lived, I loved
I was here
I did, I've done, everything that I wanted
And it was more than I thought it would be
I will leave my mark so everyone will know
I was here

I just want them to know
That I gave my all, did my best
Brought someone to happiness
Left this world a little better just because

I was here

I was here
I lived, I loved
I was here
I did, I've done, everything that I wanted
And it was more than I thought it would be
I will leave my mark so everyone will know
I was here x2
