Beyonce:

U must not kno bout me
U must not kno bout me

Trina:

Ugh
Taxi come pick this nigga up
A used condom in his truck
Used to trickin wit them sluts
Tellin me i'm number 1
But u was better than tha rest
Truth be told u'z a mess
Who loved to play games
Rollercoaster wit my brain
I cried myself to sleep 'cause it hurt so bad
Askin how could u smoke
Everythin we had
Now i gotta go inside
Tha little black bag
I bet he'll be back
Tryna wave tha white flag
Nigga
Nerve of u sayin i wouldn't find another
U done bumped yo head
U gone need me sucka
Changin my number
I aint thinkin bout u
Im in love wit myself
If u wanna kno tha truth

Beyonce:

In tha closet
That's my stuff
Yes
If I bought it
Babii please don't touch
And keep talking that mess
That's fine
But could u walk and talk
At the same time
And it's my mine name
That's on that Jag

So remove ur bags
Let me call u a cab

Standing in the front yard telling me
How I'm such a fool
Talking about
How I'll never ever
Find a man like you
U got me twisted

U must not know bout me
U must not know bout me

Beyonce *&* Trina:
I could have another u
In a minute
Matter fact
He'll be here
In a minute
Babii

Trina:
Keep talkin slick...
Ones a killa
Ones a drug deala
One who wines *&* dines me wit million dollar fits
I even kno a rapper
Who wanna dig in it
Or my football playa friend
Who's been beggin me to end it
My attorney Prckle
Wit a big popsicle
Who aint neva had a hard time
Hangin at tha middle
My NBA All Star
Who make it wit a sizzle
That's fo shizzle my nizzle
He take his time when he nibble
Don't make me remind u
To tha left
To tha left

Beyonce:
Everything u own
In a box to tha left
In tha closet
That's my stuff
Yes
If I bought it
Babii
Please don't touch

And keep talkin that mess
That's fine
But could u walk and talk
At tha same time
And
It's my mine name
That's on that Jag
So remove ur bags
Let me call u a cab

Standing in tha front yard
Tellin me
How I'm such a fool
Talkin bout
How I'll never ever find a man like u
U got me twisted

U must not kno bout me
U must not kno bout me

I could have another u
In a minute
Matter fact
He'll be here
In a minute
Babii

U must not kno bout me
U must not kno bout me

I could have another u
By tomorrow
Don't u ever
For a second
Get to thinkin
U're irreplaceable

So
Go ahead and get gone
Call up that chick *&* see if she's home
Oops
I bet ya thought
That I didn't kno
What did u think
I was putting u out for?
Cause u was untrue
Rolling her around
In tha car that I bought u
Baby drop them keys
Hurry up
Before ur taxi leaves

Standing in tha front yard
Telling me
How I'm such a fool
Talking about
How I'll never ever find a man like u
U got me twisted

U must not kno bout me
U must not kno bout me

I could have another u
In a minute
Matter fact
He'll be here
In a minute
Babii

U must not kno bout me
U must not kno bout me

I could have another u
By tomorrow
Don't u ever
For a second
Get to thinkin
U're irreplaceable

So since IÂ'm not ur everything
How about I'll be nothing
Nothing at all to u
Baby I wont shead a tear for u
I won't lose a wink of sleep
Cause tha truth of tha matter is
Replacing u is so easy

To tha left
To tha left

To tha left
To tha left

To tha left
To tha left

Everything u own
In a box to tha left

To tha left
To tha left

Don't u ever

For a second
Get to thinkin
U're irreplaceable

U must not kno bout me
U must not kno bout me

I could have another u in a minute
Matter fact
He'll be be here
In a minute
Babii

U must not know about me
U must not know about me

I can have another u
By tomorrow
Don't you ever
For a second
Get to thinkinnnnnn....

U must not kno bout me
U must not kno bout me

I could have another u
In a minute
Matter fact
He'll be be here
In a minute

U can pack all ur bags
We're finished
U made ur bed
Now lay in it

I could have another u by tomorrow
Don't u ever
For a second
Get to thinkin
U're irreplaceableeee
