I thought that this was something  
Promising that oneday itll turn into something  
Thought the feelings were mutual thought I didnt have  
to guess  
Started being skeptical always unavailabe  
Like you didnt know but now um feeling something  
tellin me that this may not be the real something that u  
was showin me  
Now um ready and u runnin  
Damn u got me open  
Um feelin like um choken  
Now where am I to go

I cant believe that u cant feel my heart  
An I cant believe u let me fall so hard  
Stop playin  
How could u let it go this far  
If u had doubts that I wasnt the one...

Ooo... u said  
That youre that type to take it slow  
You said before I step Ill let u know  
Stop playin  
Before u let me see you with her  
You couldve told me a change was gone come yea...

Is she the reason u dont call like you used to  
Fall through my hood like u used to  
Or put it on me hard like you used to do  
I feel in my mind whats goin on  
But my heart wont let me go until I know  
Is she the reason that my calls count reach you  
The deepest of my love couldnt please you  
Or bring it to me home like you used to  
Um seein her fallin for ur charm got me feelin like I  
wasnt good enough

So I know we aint official  
Us bein official aint neva been a issue  
When it came down to us boy remember we were  
different

You said that we'd talk if we ever had problems bout  
anything  
I was cool with no commitmen  
Wait... Let me take that back  
It wasa you so I was with it  
See I guess I didnt get when u said u didnt miss it  
Now it seems that youre intress aint here  
An we aint the same

I cant believe that u cant feel my heart  
An I cant believe u let me fall so hard  
Stop playin  
How could u let it go this far  
If u had doubts that I wasnt the one...

Ooo... u said  
That youre that type to take it slow  
You said before I step Ill let u know  
Stop playin

You couldve told me a change was gone come yea...

Is she the reason u dont call like you used to  
Fall through my hood like u used to

The deepest of my love couldnt please you  
Or bring it to me home like you used to  
Um seein her fallin for ur charm got me feelin like I  
wasnt good enough

All u had to say was this aint what u want  
I woulndt be so hurt and I could just move on  
You had me believin everything was my fault  
I can see it now  
This a situation that I must let go  
Cause u aint gonna be a man and let me know  
I guess me seein u with her tells it all...

Is she the reason u dont call like you used to  
Fall through my hood like u used to  
Or put it on me hard like you used to do  
I know in my mind whats goin on  
But my heart wont let me go until I know  
Is she the reason that my calls count reach you  
The deepest of my love couldnt please you  
Or bring it to me home like you used to  
Now um seein her fallin for ur charm got me feelin like I  
wasnt good enough

Is she the reason u dont call like you used to  
Fall through my hood like u used to  
Or put it on me hard like you used to do  
I know in my mind whats goin on  
But my heart wont let me go until I know  
Is she the reason that my calls couldnt reach you  
The deepest of my love couldnt please you  
Or bring it to me home like you used to
