Don't u worry bout a club. Just come and lay up under me tonight.

I was out shopping thinking of something i should get u cuz i been gone so many weeks damn i miss u dont wanna do nothin more than just stare at your face and let you know im happy youre my best friend. Part of this fortune boy I owe you. For being always here to talk to. Taking time out starting with the day for my babe

We're gonna hit the floor at home. we'll let the candles be our light tonight. and imma dj all of your songs. you aint gotta worry bout a club just come lay up under me tonight.

Boy if u just call im on my way when it comes to my baby i bring my best. its just you and me all night. dont worry bout no cover just lay up under me tonight.

Tonight, tonight, tonight
tonight, tonight, tonight
tonight, tonight, tonight
don't worry bout a club just come lay up under me

lets pop a bottle of that vintage that I bought you. I model sexy pictures right on top of you. 10 years together still feels like we're making love for the first time. Like I'm in high school sneaking with my boyfriend

Part of this fortune boy I owe you for being always there to talk to. Taking time out starting with the day for my babe

We're gonna hit the floor at home. We'll let the candles be our light tonight. boy lma dj all of your songs. you aint gotta worry bout a club just lay up under me tonight

We're gonna hit the floor at home. We'll let the candles be our light tonight. boy lma dj all of your songs. You aint gotta worry bout a club just come and lay up under

me tonight

Boy if you just call i'm on my way. when it comes to my
baby i bring my best. I just wanna party tonight cuz its
obvious to see that you're where I wanna be

Just let me look at you, oooh you look so sexy boy I want
a taste you are ----- when i grow with you oooh
you feel so good boy you're my favorite place. Just
come and lay under me

We're gonna hit the floor at home. We'll let the candles
be our light tonight. Ima dj all of your songs you aint
gotta worry bout no club just lay up under me
2x

tonight, tonight, tonight,
tonight, tonight, tonight
tonight, tonight, tonight
you aint gotta worry bout a cover just lay up under me
tonight
