Child of the wilderness  
Born into emptiness  
Learn to be lonely  
Learn to find your way in darkness

Who will be there for you  
Comfort and care for you  
Learn to be lonely  
Learn to be your one companion

Never dreamed that out in the world  
There are arms to hold you  
You've always known  
Your heart was on it's own

So laugh in your loneliness  
Child of the wilderness  
Learn to be lonely  
Learn to love life that is lived alone

Learn to be lonely  
Learn to be your one companion  
Never dreamed that out in the world  
There are arms to hold you  
You've always known  
Your heart was on it's own

So laugh in your loneliness  
Child of the wilderness  
Learn to be lonely  
Learn how to love life that is lived alone
