Bring the beat in!

Honey, honey  
I can see the stars all the way from here  
Can't you see the glow on the window pane?  
I can feel the sun whenever you're near  
Every time you touch me I just melt away

Now everybody asks me why I'm smiling out from ear  
to ear  
(They say love hurts)  
But I know  
(It's gonna take the real work)  
Nothing's perfect, but it's worth it after fighting through  
my fears  
And finally you put me first

Baby it's you  
You're the one I love  
You're the one I need  
You're the only one I see  
Come on baby, it's you  
You're the one that gives your all  
You're the one I can always call  
When I need, you make everything stop  
Finally you put my love on top

Ooh! Come on baby  
You put my love on top, top, top, top, top  
You put my love on top  
Ooh ooh! Come on baby  
You put my love on top, top, top, top, top  
My love on top  
My love on top

Come on baby  
I can feel the wind whipping past my face  
As we dance the night away  
Boy, your lips taste like a night of champagne  
As I kiss you again, and again, and again, and again

Now everybody asks me why I'm smiling out from ear

to ear  
(They say love hurts)  
But I know  
(It's gonna take the real work)  
Nothing's perfect, but it's worth it after fighting through  
my fears  
And finally you put me first

Baby it's you  
You're the one I love  
You're the one I need  
You're the only one I see  
Come on baby, it's you  
You're the one that gives your all  
You're the one I can always call  
When I need, you make everything stop  
Finally, you put my love on top

Ooh! Baby  
You put my love on top, top, top, top, top  
You put my love on top

Ooh ooh! Come on baby  
You put my love on top, top, top, top, top  
My love on top  
(My love on top)

Baby it's you  
You're the one I love  
You're the one I need  
You're the only thing I see  
Come on baby, it's you  
You're the one that gives your all  
You're the one that always calls  
When I need you baby, everything stops  
Finally you put my love on top

Baby, you're the one that I love  
Baby, you're all I need  
You're the only one I see  
Come on baby, it's you  
You're the one that gives your all  
You're the one I always call  
When I need you, everything stops  
Finally you put my love on top

Baby  
'Cuz you're the one that I love  
Baby, you're the one that I need  
You're the only man I see  
Baby, baby it's you

You're the one that gives your all  
You're the one that always calls  
When I need you, everything stops  
Finally you put my love on top

Baby  
'Cuz you're the one that I love  
Baby, you're the one that I need  
You're the only one I see  
Baby, baby it's you  
You're the one that gives your all  
You're the one that always calls  
When I need you, everything stops  
Finally you put my love on top
