f/ Ghostface Killah

[Intro: Beyonce (Ghostface Killah)]

Ahh, ahh, ahh all the ladies if you feel me, help me  
sing it now

(Uh-huh... Toney Starks..

Yo, baby, what's all this you telling everybody

We broke up and all this, I'm hearin' off the streets and  
all, that, ma

Talk to me or something, huh, I don't know what's goin'  
on, baby

You know, I got my clothes in the joint, and you go up  
here

Just packin' my gear --- what happened boo?)

[Beyonce]

I can't believe I believed, everything we had would last  
So young and naive for me to think, she was from your  
past

Silly of me to dream of, one day having your kids

Love is so blind, it feels right when it's wrong

I can't believe I fell for four years, and I'm smarter than  
that

So young and naive to believe that with me, you're a  
changed man

Foolish of me to compete, when you cheat with loose  
women

It took me some time but now I moved on, cuz I realized  
I got

[Chorus 2X: Beyonce]

Me myself and I, that's all I got in the end

That's what I found out, and it ain't no need to cry

I took a vow that from now on, I'm gonna be my own  
best friend

[Beyonce]

So controlling, you said that you love me, but you don't  
Your family told me one day, I would see it on my own  
Next thing I know I'm dealing, with your three kids and  
my home

I've been so blind, it feels right when it's wrong

Now that it's over, stop calling me, come pick up your  
clothes

No need to front like you're still with me, all your  
homies know

Even your very best friend, tried to warn me on the low  
It took me some time, but now I am strong  
Because I realized I got..

[Chorus 2X]

[Hook 2X: Beyonce]

I got me, myself and I (I know that I would never  
dissappoint myself)

Must have cried a thousand times (all the ladies if you  
feel me, help me sing it  
out)

I can't regret time spent with you (yeah, you hurt me  
but I learned a lot the  
long way)

But I lucked out to make it through (after all the rain  
you see the sun come out  
again)

[Interlude: Ghostface Killah \*during hook\*]

See that's why you in my life right now, smile right  
now..

I'm sorry, boo... I'm sorry..

Just you know, that you got mature... shoot..

Ya'll ladies keep your mouth shut right now  
Cuz ya'll don't know what y'all talking about

This between me and her, that's my word, she just  
upset

[Ghostface Killah]

Changes... we all go through changes

Arguments, disagreements, and to some it's  
dangerous

But your mind and your heart's clogged with all your  
pain and

But a bond that we was holding, what made us famous  
Hey miss, beautiful mami with tears of stone

Stop cryin', come talk to Tone

Tell me everything that's goin' wrong like your needs  
and doubts

My reason for coming in late, I need cheese and  
sprouts

So I could continue to hold down the foundation

It's pitiful how you could charge me with violations

Patience is the key, fuck the frustrations

We act off our emotions and we start hatin'

And that leads to stress, problems and weight loss

Total baldness, broke homes come from negative  
forces

Baby be cautious, you got to call the cops to get me out

When it come, babe, I'm goin' all out

It's T-O-N-E-Y, to Beyonce, my, sweetie pie

Please try, be mine til we die

[Chorus 2X]

[Outro: Ghostface Killah]

Beyonce.. beautiful girl
