Boy -oy -oy -oy!

Oh, killing me softly and I'm still fallin'
Still the one I need, I will always be with you
Oh, you got me all gone, don't ever get me though
Say it real loud if you fly
If you leave me you're out of your mind

My baby is a 10
We dressing through the 9
He pick me up we 8
Make me feel so lucky 7
He kiss me in his 6
We be making love in 5
Still the one I do this 4
I'm trying to make a 3
From that 2
Still the 1

There's ups and downs in this love
Got a lot to learn in this love
Through the good and the bad, still got love
Dedicated to the one of love, hey

Still love the way he talk, still love the way I sang
Still love the way he rock them black diamonds in that
chain
Still all up on each other, ain't a damn thing change
My girls can't tell me nothing, I'm gone in the brain
I'm all up under him like it's cold, winter time
All up in the kitchen in my heels, dinner time
Do whatever that it takes, he got a winner's mind
Give it all to him, meet him at the finish line

Me and my boo in my boo coupe ridin'
All up in that black with his chick right beside him
Ladies, if you love your man show him you the fliest
Grind up on it, girl, show him how you ride it
Me and my boo in my boo coupe riding
All up in that black with his chick right beside him
Ladies, if you love your man show him you the fliest
Grind up on it, girl, show him how you ride it

Oh, killing me softly and I'm still fallin'
Still the one I need, I will always be with you
Oh, you got me all gone, don't ever get me though
Say it real loud if you fly
If you leave me you're out of your mind

My baby is a 10

Yup, I put it on, it ain't nothing that I can't do
Be up on my own, if he deserve it, buy his shit too
All up in the store, shorty, trickin' if I want to
All up in the store, shorty, fly as we want to

Ooo ooo ooo ooo
Damn I think I love that boy
Do anything for that boy
Boy -oy -oy -oy!
Now I'll never be the same
It's you and me until the end

Me and my boo in my boo coupe riding
All up in that black with his chick right beside him
Ladies, if you love your man show him you the fliest
Grind up on it, girl, show him how you ride it
Me and my boo and my boo lip locking
All up in the back because the chicks keep flocking
All that gossip in 10 years, stop it
London speed it up, Houston rock it

Oh, killing me softly and I'm still fallin'
Still the one I need, I will always be with you
Oh, you got me all gone, don't ever get me though
Say it real loud if you fly
If you leave me you're out of your mind

My baby is a 10
We dressing through the 9
