"Save The Hero"

I lay alone awake at night
Sorrow fills my eyes
But I'm not strong enough to cry
Despite of my disguise

I'm left with no shoulder
But everyone wants to lean on me
I guess I'm their soldier
Well, who's gonna be mine?

Who's there to save the hero
When she's left all alone?
And she's crying out for help

Who's there to save the hero?
Who's there to save the girl
After she saves the world?
After she saves the world

I bottle all my hurt inside
I guess I'm living a lie
Inside my mind each day I die
What can bring me back to life?

A simple word, a gesture
Someone to say you're beautiful
Come find this buried treasure
With eyes lead to a pot of gold

Who's there to save the hero
When she's left all alone?
And she's crying out for help

Who's there to save the hero?
Who's there to save the girl
After she saves the world?
After she saves the world

I've given too much of myself
And now it's driving me crazy
(I'm crying out for help)
Sometimes I wish someone would just come here

And save me, save me from myself

Who's there to save the hero
When she's left all alone?
And she's crying out for help

Who's there to save the hero?
Who's there to save the girl
After she saves the world?
After she saves the world
