This is for them 20 somethings
Time really moves fast, you were just sixteen
This is for them 30 somethings
That didn't turn out exactly how your mom and dad
wanted you to be
This is for them 40 somethings
Well raise up your glass and laugh like a motorboat
This is for them 50 somethings
Hey, you're halfway there, baby take it to the head

Mom and dad, tried to hide the world
Said the world is just too big for a little girl
Eyes wide open, can't you see
I had my first heels by the age of 13
Mom and dad, tried to hide the boys
I swear that just make them want me more
At 14, they asked what I wanna be,
I said baby 21, so I get me a drink

I'm not a teacher, babe
But I can teach you something
Not a preacher
But we can pray if you wanna
Ain't a doctor
But I can make you feel better
But I'm great at writing physical love letters
I'm a freak, all day, all night
Hot, tap, sway
Boy you're out of sight
And i'm crazy, all day, all night
Who needs a degree when you're schoolin' life

Schoolin' life....oh oh oh....schoolin' life....

This is for them pretty somethings
Living in a fastlane, see you when you crash babe
This is for them sexy somethings
That body can't always get ya out of everything
This is for them bitter somethings
Stop living in regret, baby, it's not over yet
And this is for them ? somethings

That's high on life, baby, put me on your flight

I'm not a teacher, babe
But I can teach you something
Not a preacher
But we can pray if you wanna
Ain't a doctor
But I can make you feel better
But I'm great at writing physical love letters
I'm a freak, all day, all night
Hot, tap, sway
Boy you're out of sight
And i'm crazy, all day, all night
Who needs a degree when you're schoolin' life

Schoolin' life....oh oh oh....schoolin' life....

You know it costs to be the boss
One day you'll run the town
For now make your life what you decide
Baby, party til the fire marshal, shuts this sucker down

I'm not a teacher, babe
But I can teach you something
Not a preacher
But we can pray if you wanna
Ain't a doctor
But I can make you feel better
But I'm great at writing physical love letters
I'm a freak, all day, all night
Hot, tap, sway
Boy you're out of sight
And i'm crazy, all day, all night
Who needs a degree when you're schoolin' life

Schoolin' life....oh oh oh....schoolin' life....oh oh oh

There's not a real way to live this...for real
Just remember stay....oh yeah, oh yeah
Don't stop running until it's finished
It's up to you, the rest is unwritten
