Verse 1-

I always loved you, even though did me wrong
I always stayed by your side, I guess I was your fool
I always cared, there's no one above you
I swear, cheated on me now she's there

Pre-Chorus-

She won't answer your calls, don't wanna be bothered
at all
I guess I'll be the one standing with open arms
Sucka for love, kisses too
Ya touch, I'm crazy for you

Chorus-

I'll settle for you, yes I will be the one who will
Settle for you, yes I will be the one you run to
You come running to, yes I will be the one who will
Settle for you, settle for you

Verse 2-

I can never leave you, no matter how hard I try
You'll probably do it again, I'll still be right here waiting
Nothing has changed, it remains, the same, I can't
explain

Pre-Chorus

Sucka for love, ya kisses too
Ya touch, I'm crazy for you

Chorus-1x

Bridge-

Even when the chips are down, I'll still settle for you
You'll probably hurt me again, I'll still settle for you
I know I must be the world's greatest fool

(repeat)

I'll still settle for you

Chorus- 1x

Ad-libs-

I will always love you no matter how hard I try

Probably do it again I'll still be here waiting

Stuck with you, in love with you, here for you, loving
you

Settling for you baby yea
