I need a thug that'll have my back, do-rag, Nike Airs to
match
Ain't nothin' wrong with that, that's how I like it, baby
Where my thugs at? White T-shirt, I love that
Timberland boots, you does that, it's a fact, that's how I
like it, baby

I like the way you walk, the way you talk
The way you dress, the way you smile
I like the way you are, the way you ain't
I like your honesty, integrity, it levels me, so please
don't ever change

That's how you like it, huh, that's how you like it, huh
That's how you like it, huh, that's how I like it, baby
That's how you like it, huh, that's how you like it, huh
That's how you like it, huh, that's how I like it, baby

That's how you like it, huh, that's how I like it, baby
That's how you like it, huh, that's how you like it, huh
That's how you like it, huh, that's how I like it, baby

I like the way you brush your hair, I like the stylish
clothes you wear
It's just the real things you do that's why I wanna stick
with you
Where my girls at? Let them know we love that
Sexy way they does that, you did that, that's how I like
it, baby

I hope you like my style, the way I dress

The way I flirt, say yes
I hope you like my mind, the things I say
If I'm with you, then I'm with only you my loyalty will
never, ever change

That's how you like it, huh, that's how you like it, huh
That's how you like it, huh, that's how I like it, baby
That's how you like it, huh, that's how you like it, huh
That's how you like it, huh, that's how I like it, baby

That's how you like it, huh, that's how you like it, huh
That's how you like it, huh, that's how I like it, baby
That's how you like it, huh, that's how you like it, huh
That's how you like it, huh, that's how I like it, baby

I know you've heard I'm a gangsta
They say stay away from them gangstaz
They never change up, or pull they pants up
Well, baby girl, put ya foot down, don't let 'em push you
around

You know what you like
Baby thug, you know wrong from right
You done felt grown before this can't be what it feel like
And they don't really know whatcha feel like, for
instance

They don't know the difference between real life
And the music videos and the raggedy magazines
They have it badder than he seems
All they see is my baggy jeans, my attitude

I ain't mad at you, it's just my Clyde
Way I wear my hat to the side
Way I lean real low when I ride
That's why my minds, they like my walk

My accent from New York
My way of thinking is slightly off
They like the way he floss
Leave the block on a bike, he come back on a Porsche

But of course
Most of all, they like my honesty, integrity, my loyalty
Young Hovah and the letter B
How you like that, huh?

That's how you like it, huh, that's how you like it, huh
That's how you like it, huh, that's how I like it, baby
That's how you like it, huh, that's how you like it, huh
That's how you like it, huh, that's how I like it, baby

That's how you like it, huh, that's how you like it, huh
That's how you like it, huh, that's how I like it, baby
That's how you like it, huh, that's how you like it, huh
That's how you like it, huh, that's how I like it, baby
