### "When Beauty Dies"

In A Cold Room, Nothing Breathes  
No Light Can Reach  
When Beauty Dies  
In A Dead Field, Nothing Grows  
No Life Can Be Sown  
When Beauty Dies  
In My Heart, No Love Is For Real  
Where No Grief Can Be Healed  
When beauty dies...  
Dies...  
When beauty dies...  
In a dead field  
Nothing grows [*nothing grows*],  
No life can be sown [*can be sown*]...  
In a dead field  
Nothing grows [*nothing grows*],  
No life can be sown [*can be sown*]...  
When beauty dies...  
Dies...  
When beauty dies...  
In my life,  
No light is for me in my life,  
No light is for me...  
In my life,  
No light is for me in life,  
No light is for me...
