[VERSE 1:]

Do you think  
You could fall for a woman like me  
'Cause I find it hard to trust  
I need too much  
And I really don't believe in love, no no  
Do you think  
That I could be the girl of your dreams  
Sometimes I don't let things go  
Get emotional  
And sometimes I'm just out of control

[CHORUS:]

You need to stop for a minute  
Before you get too, deep up in it  
(Too deep)  
'Cause everything ain't what it seems  
It's hard loving a woman  
A woman like me  
(Woman like me)  
You need to think about it  
Before you get hooked on the venom  
And can't live without it  
(No no)  
Can't believe everything you see  
It's hard loving a woman  
A woman like me

[VERSE 2:]

Do you think  
That I could be the one that you seek  
'Cause baby I'm one step ahead  
You're two steps behind  
But baby I don't mind  
Do you think  
That I can make you real happy baby  
Just don't get me wrong  
My loving is so strong  
But I ain't tryna lead you on

[CHORUS:]

You need to stop for a minute

(No no)  
Before you get too, deep up in it  
(No no)  
'Cause everything ain't what it seems  
(Seems)  
It's hard loving a woman  
A woman like me  
(Woman like me)  
You need to think about it  
Before you get hooked on the venom  
And can't live without it  
(Without it)  
Can't believe everything you see  
It's hard loving a woman  
A woman like me

Woman like me  
Woman like me  
Woman like me  
Oh

[CHORUS:]  
You need to stop for a minute  
(Stop for a minute)  
Before you get too, deep up in it  
(Before you get too deep up in it)  
'Cause everything ain't what it seems  
It's hard loving a woman  
A woman like me  
You need to think about it  
(Think about it, baby)  
Before you get hooked on the venom  
And can't live without it  
(No, no)  
Can't believe everything you see  
It's hard loving a woman

A woman like me  
Woman like me  
Woman like me  
Woman like me
