[Chorus]

I'm a World Wide Woman

W W W

You can log on anywhere

Your girl can take it there

World Wide Woman

W W W

You know I'm the type of girl

[Repeat 2x]

International

No specific area code

Whether it's them project homes

Or overseas on them cobblestone roads

I could just provide all those

What you need and all the essentials

Believe me I'm what you lookin' fo

Log in B

Backslash O-N-C

Yeah baby

[Chorus]

If it's like a mack you want

Maximize the full potential

Baby if you connect with me

I'm just like your hi-speed cable

Even if you gotta fly

To where they drive on the passenger's side

I'll be like the Audobon

When you get home

You won't know how to let go

Browsing

Fall through

You got to click right here come find me

I'll assure you

The places you've never been

[Chorus]

I want love

Like any world wide woman would need

I know you think that can't be

Still got sensitve at me

In my world

It's hard to get authenticity

But you feel so damn real to me

Come take the lead and join this world with me
[Repeat Chorus until end]
