Oh oh oh I, oh oh oh I  
If I wrote a book about where we stand  
The title of my book would be "Life with Superman"  
That's how you make me feel I count you as a privilege  
This love is so ideal  
I'm honored to be in it  
I know you feel the same I see it everyday  
And all the things you do And all the things you say You  
are my roc  
Baby you're the truth  
You are my roc  
I love to rock with you  
You are my roc  
You're everything I need  
You are my roc  
So baby rock with me  
I wanna kiss ya, feel ya, please ya just right  
I wanna touch ya, love ya, baby all night  
Reward ya, for all the things you do  
You are my roc  
I love to roc with you  
I love to roc with you Oh oh oh I  
If I wanna try to count the ways You make me smile  
I'll run out of fingers Before I run out of time  
To sing to talk about Sugar you keeps it going on  
Make me wanna keep my lovin strong  
Make me wanna try my best  
To give you what you want and what you need  
Give you my whole heart, not just a little piece  
More than a minimum,  
I'm talking everything  
More than a single wish,  
I'm talking every dream  
You are my roc  
Baby you're the truth  
You are my roc  
I love to roc with you  
You are my roc  
You're everything I need  
You are my roc  
  
So baby roc with me

I wanna kiss ya, feel ya, please ya just right  
I wanna touch ya, love ya, baby all night  
Reward ya, for all the things you do  
You are my roc  
I love to roc with you  
I wanna roc with you  
There's options I dont want them  
They're worth my time  
Cause if it's not you, oh no thank you I like us just fine  
You're a roc in the sand You're a smile in a cry You're  
my joy through the pain  
You're the truth through the lies  
No matter what I do I know that I can count on you Oh  
oh oh I, oh oh oh I  
You are my roc  
Baby you're the truth  
You are my roc  
I love to rock with you  
You are my roc  
You're everything I need  
You are my roc  
So baby roc with me  
I wanna kiss ya, feel ya, please ya just right  
I wanna touch ya, love ya, baby all night  
Reward ya, for all the things you do  
You are my roc  
I love to roc with you  
I love to roc with you Oh oh oh I, oh oh oh I  
I wanna kiss ya, feel ya, please ya just right  
I wanna touch ya, love ya, baby all night  
Reward ya, for all the things you do  
You are my roc  
I love to roc with you  
I wanna roc with you  
YOU are my roc and my salvation that is why i love you
