

## **Beyond Belief "Stranded"**

Isolation. desolation  
Salvation, the rotten way  
Suicidal solitude, don't slip away  
I have come to be, the light of the end  
Feeling lost soul controlled

Cursed by god, I walk with fear  
Changes beyond, forced into my mind  
Bleeding my tears, burning outside  
Turn away, deny the whore  
I saw sacrifices before my eyes  
Now I know about the end  
Bleeding my tears, burning outside  
Turn away, deny the whore

The pain has gone much to far now,  
Judge me not, make it STOP!

I saw sacrifices before my eyes  
Now I know about the end... is near
