I thought  
Release  
The endless pain  
I think it'll never  
Be the same  
But I didn't cause  
The summer rain  
I don't wanna see you  
Here again  
Again, again  
Never again  
Never again

I made a move  
I thought was right  
I had a chance  
To stop the fight  
But I looked away  
And to the side  
I never thought  
I'd say  
It'll be alright  
Again, again  
Never again  
Never again

Cause I'm far away  
From everyting we knew  
But all I see  
Reminds me so 'bout you  
Face to face  
I'm a hopeless case  
We go on and I pretend  
Cause I'm far away

I don't wanna live  
To reverse my life  
I had it coming  
Ccause of my lies  
I'm not about being  
Number one  
But I'm so afraid

That I'm right  
And you're wrong

Again, again  
Never again  
Never again

Cause I'm far away  
From everything we knew  
But all I see  
Reminds me so 'bout you  
Face to face  
I'm a hopeless case  
We go on and I pretend

Cause I'm far away  
From everything we knew  
But all I see  
Reminds me about you  
We are face to face  
Such a hopeless case  
We go on  
And I pretend  
I'm far away

Again, again  
Never again  
Never again
