Here we are, did so far.
From the things that we dont talk about.
I'm glad, that's you. And now i feel as clueless,
hopeless little you. I't could be truth.
We always tought that no one never knew. But they do
'bout me and you.

Here I go, you know. For a second there I thought we
could live, in a dream.
There are a masspulse to do, not seventeen.
You think i'm mean, when I tell you all I want.
I'ts get down between, you seems not ment to be.

Blitzkrieg Loveshock! x3

We pretend , that it will end.
And If i play my cards we mights just get away, but it
starts!
They say you cant light i fire without a spark.
You wanna burn, I'ts the heat not calling
cool as you never lern. So hot, gonna make the shot.

Blitzkrieg Loveshock! x6

Did you think that you could be mine?
24/7 deport on time. 'but I always keep'in me in a nice
ride.
