You're good, you're bad, you're happy, you're sad  
Your mom and dad don't want you like that  
You're fucked, you're fine, you suck when you're  
signed  
And your DNA is always divine

You do believe, you do achieve  
But did you agree to take it all back?

Na na na na na na na na na na na

You're day and night, you're wrong and right  
And you breathe the air from God knows where  
Gas or grass, to puff or pass  
You inhale the blow for a maximum low

Na na na na na na na na na na na

I know, I know it's hard to believe, I've come undone  
C'mon break me, c'mon break me  
I know, I know it's hard to believe, I've come undone  
C'mon break me, c'mon break me

You're good, you're bad, you're cool, you're mad  
You are solid gold in a body sack  
Don't let me down but love me true  
I'm beaten, broken, faded and blue

You're such a pig and you are the dirt  
And you know all about how it is to be hurt

Na na na na na na na na na na na

I know, I know it's hard to believe, I've come undone  
C'mon break me, c'mon break me  
I know, I know it's hard to believe, I've come undone  
C'mon break me, c'mon break me

C'mon break me, c'mon break me  
C'mon break me now

So let me take your world apart again

You with the cash and me with the stash  
We gambled and won but I'm second to none  
You're good, you're bad and today you are glad  
Your mom and dad don't want you like that

Na na na na na na na na na na na na

I know, I know it's hard to believe, I've come undone  
C'mon break me, c'mon break me  
I know, I know it's hard to believe, that I've come  
undone  
C'mon break me, c'mon break me now

Na na na na na na na na na na na na  
Na na na na na na na na na na na na

I know, I know, I know
