I sprayed a picture of Spiderman  
Next to Hitler and Uncle Sam  
When I do what I wanna do  
I drool

And I am the pirate from town to town  
You are the circus without a clown  
But if you're playing it by the rules  
Then I'll sit next to you

'Cause I'm Judas but I like it  
And Jesus but I doubt it  
Liar  
I love everything about it

I'm Judas but I like it  
And Jesus but I doubt it  
Liar  
I love everything about it

I'll be the news and you'll be the hawk  
I walk the walk and I talk the talk  
Don't put your ciggie next to my fuel  
I drool

She know I went away but I want it back  
No lobster, no Cadillac  
Ain't got the cash but you know I'm cool  
She can't shut this mouth

'Cause I'm Judas but I like it  
And Jesus but I doubt it  
Liar  
I love everything about it

I'm Judas but I like it  
And Jesus but I doubt it  
Liar  
I love everything

I'll be the boy with the big guitar  
The rise and fall of a shooting star

Never claimed I was the sharpest tool  
But now I do

'Cause I'm Judas but I like it  
And Jesus but I doubt it  
Liar  
I love everything about it

I'm Judas but I like it  
And Jesus but I doubt it  
Liar  
I love everything about it

Judas but I like it  
Jesus but I doubt it  
Liar  
I love everything about it

Judas but I like it  
Jesus but I doubt it  
Liar  
I love everything about it
